

150th Anniversary Painting of the Stone Church  
South Church — Unitarian Universalist  
U. S. Route #1, Portsmouth, New Hampshire

We're in Portland, Me, but  
I picked this card up at the  
Sorry to miss bridge, and I'll  
host in August.

Some Portland graffiti:

1. What's the similarity between  
Nancy Reagan and a tampon?
2. Anyone can pee on the floor.  
Be a hero, ...

Portland has a marvelous  
restored old port district. More  
authentic than Baltimore, Philly,  
or Boston.

I open 4-No T. Alan.
